

*Special Education Advisory Committee  
is pleased to invite you to a presentation on*

# **Instructional Practices: Science of Reading & Equity**

***Presented by Dr. Emily Solari***

**April 7, 2021**  
**6:00 p.m. – 7:10 p.m.**

**SEAC Business Meeting**  
**7:15 p.m. – 8:30 p.m.**

*“Every child has the  
right to receive reading  
instruction that is based  
on sound research.”*

**Emily Solari, Ph.D.** is a Professor and Coordinator of the Reading Education program in the School of Education and Human Development at the University of Virginia.

Her work has included intervention development and trials with students who have early profiles of reading difficulties, individuals diagnosed with autism and English language learners.

Dr. Solari serves as the Editor-In-Chief of *The Reading League Journal*, a new journal dedicated to translating specific reading research findings for a practitioner audience; she is also an Associate Editor for *Journal of Learning Disabilities* and *Remedial and Special Education*. She serves on various state and national level executive boards including the Council for Exceptional Children's Division of Learning Disabilities and The Reading League Virginia Chapter.
